

PREFERRED ESTATE SALES

As life brings change your way and you find yourself ready to liquidate your personal property, you can feel at ease when you contact our experienced full-service company. We are committed and ready to manage, organize and develop a customized plan to convert your property into monetary gains. From our initial consultation, we will develop the best plan for you, regardless of whether your belongings are every day household items, items you no longer need, items of significant market value or items full of deep sentimental value.

Your estate sale will be personalized to your needs.

We will personalize your estate sale to fit your needs while maximizing your financial gains.

Let **PREFERRED** Estate Sales handle your estate sale needs

Whether you're moving or downsizing, transitioning a parent or loved one into nursing care or smaller home, or faced with selling the home of a loved one who has passed away, we will provide you with a personalized sales plan and handle all of the details related to the sale. Our experienced estate agents will take great care in sale planning, researching and pricing your items, and conducting a professional sale.

During our **FREE INITIAL EVALUATION**, we will learn more about your estate sales needs, and discuss your wishes for the items chosen for sale. From there, we will conduct research and price the items in preparation of the sale.

Your estate sale will be personalized to your needs.

OUR CUSTOMIZED SERVICES INCLUDE:

-  Sorting and merchandizing all items in the home
-  Current market value appraisal and comparable pricing
-  Home staging for sale
-  Photography of items for sale
-  Website advertising and promotion
-  Professional sales staff in attendanace during entire sale
-  Online sales
